

HERE'S the POINT

By SPENCE BELD

I've had considerable to say in this column about how a fired-up underdog can beat the pants off a supposedly superior football team—and the best example I ever saw was unveiled in Balboa stadium Friday night.

Point Loma looked better in that game against Hoover than almost any high school team I can remember. No kidding—the boys really had the will to win, and Hoover never had a chance. The Cardinals played a good game, too. But they obviously had expected an easy time of it and were swept off their feet by an aroused Point Loma team that blocked and tackled with a superb controlled ferocity that was beautiful to watch.

In the third quarter, after the Lomans had repulsed a Hoover drive, Frank Sacco darted through an opening made by his blockers and raced 77 yards to a touchdown.

The guy sitting next to me put the whole thing in focus. "It's a team effort," said Don Giddings, former Pointer coach. Hoover fumbled at crucial times—but the fumbles were caused by the Lomans' hard tackling.

Hoover's passes were intercepted by ball-hawking backs—after the onrushing Loman linemen hurried the passer.

Yeah, it was a team effort, all right. And it's a little unfair to pick out individual players. However, my bifocals made no mistake on No. 30, Sheldon Spicer.

This 180-pound center was all over the field on defense, making tackle after tackle. In one notable open-field collision he slammed into the Hoover ball-carrier with an impact that could almost be felt by the spectators.

Others who caught my eye on defense were Eddie Sada, Dick Tartre, Louie Valderama, Roy Kennedy, Jim Sibbet and an unidentified No. 50, not listed on the program.

In the fourth period Quarterback Bill Harvey threw a long looping pass to end Fred Jones that went for a 60-yard touchdown. Jones reached up and grabbed it in full stride.

The Harvey to Jones pass has worked all season but you'll never see a more spectacular play than that one.

After the gun, the Point Loma players hoisted Coaches Bennie Edens and Hil Crosthwaite to their shoulders and carried them off the field in triumph.

Then a phalanx of boys poured from the stands and tore down the goal posts. I was with 'em, in spirit.

Later, I heard somebody bemoaning the loss of the goal posts. Well, if that was vandalism, then I'm a hoodlum and so is your Aunt Matilda.

Yeaaa, Point Loma!

Audience Awards

In the national audience awards poll, reports from San Diego theatres showed that Grace Kelly, Judy Garland and Jennifer Jones are leading here in the "best performances by an actress" classification.

James Dean, Henry Fonda and Glenn Ford are leading in the best actor category.

You can get a ballot at the Strand Theatre and vote your choices there.

The poll also includes "most promising new actor and actress personalities."

OCEAN BEACH LIBRARY RANKS FIRST AMONG CITY BRANCHES

This is Library Month, sponsored by the California Federation of Women's Clubs, and it's a good opportunity to take a look at the Ocean Beach Library.

Mrs. Fred C. Thompson, of Ocean Beach, is state chairman of libraries for the Federation. She pointed out that many of our libraries grew out of women's reading clubs at the turn of the century.

In 1916 Ocean Beach residents, with Miss Kate Spani, principal of O. B. Elementary School, as their leader, raised funds to furnish a room in a store building on Abbott St., near Santa Monica Ave. Books circulated to the rhythm of the merry-go-round and skating rink nearby.

In 1927 the City bought a 100x100-foot lot at Sunset Cliffs Blvd. and Santa Monica Ave., and constructed a new building. Total cost was \$18,697. At that time the branch was third largest in the City system, rated on circulation.

The Ocean Beach branch has been in first place for the past

PLHS Smashes Hoover In Grid Victory

Point Loma High School students were still in a glow of satisfaction this week following their football team's sensational 26-0 victory over Hoover in Balboa stadium Friday night.

School spirit had been rampant on the Pointer campus Friday, and by game time the boys were ready to dismantle the Hoover grid machine piece by piece.

After a scoreless first period, in which Pointer pressure began to make itself felt, Jerry Booth quarterbacked a touchdown drive featuring his toss to Fernando Quaresma that placed the ball on the 10-yard line. Roy Kennedy went over for the TD.

In the third period Frank Sacco took a handoff and went through his left tackle on a jaunt that took him 77 yards for another touchdown. He simply outran the whole Hoover team. Jim Clifton kicked goal and it was 13-0.

Later, Dick Tartre intercepted a pass and ran it to the Cardinal 17. After a couple of gainers Booth threw to Mike Collins for 10 yards and a TD.

Point Loma held off several Hoover drives, at one point recovering a fumble on the local 3-yard line. In the fourth quarter Bill Harvey, quarterback, connected with Fred Jones on a long pass that brought the spectators to their feet with a roar.

Jones went all the way on the 60-yard play and Clifton kicked goal. Final score: Point Loma 26, Hoover 0.

Dana Junior High Bulging At Seams

"Will Dana Junior High School burst if the enrollment exceeds its current record of 1708 pupils?" ask Frank Hutter and Wendi Preshern, Dana journalism students.

There are 628 seventh graders, 574 eighth graders and 506 ninth graders. In 1953 the school enrollment came to 1665. This was before Frontier Housing Project was removed.

"With Frontier not in existence, why the steady increase?" the girls ask and, in the same breath, answer their own questions. "We know new building areas in Point Loma are opening up and, sooner or later, new homes will be going up in the Frontier area."

Eight elementary schools feeding Dana each fall are: Cabrillo, Dewey, Frontier, Ocean Beach, Loma Portal, Silvergate, Sunset View and Fremont. Also, students from private and parochial schools transfer to Dana.

Help Save Lives Next Thursday—And Today, Too

All San Diego County citizens have been asked by Frank A. Gibson, chairman of the Board of Supervisors, to help save lives and prevent injuries by supporting the nation's second annual Safe Driving Day next Thursday, Dec. 1.

"The purpose of Safe Driving Day is to demonstrate, as the nation did last year, that traffic accidents can be reduced greatly when every motorist and pedestrian fulfills his moral and civic responsibility for safety," Gibson said.

"We now are in the 10-day period prior to S-D Day and it is our hope that in these days and for 10 days after Dec. 1 that everyone will cooperate in reducing accidents. Of course, we want no accidents in the nation on S-D Day."

Gibson said the accident problem is particularly acute in rural areas, because three-fourths of last year's fatal accidents occurred on suburban roads with 27,000 rural accidents as against 9,000 urban traffic fatalities.

This year, Gibson and Mayor Charles Dail named Ronald T. Strong, president of the San Diego County Traffic Safety Council, as Safe Driving Day chairman.

Little 'Nuthead' Is Thankful Today

Nuthead, 2-year-old pet squirrel of the Stone family on Brighton Ave., has ample reason to be thankful this Thanksgiving Day.

This frisky little fellow has survived three convulsions and two attacks of influenza with the help of hot water bottles and eye-dropper feedings. However, he almost met his doom Sunday while his owners were away.

When the family returned from an outing, Nuthead failed to put in his usual appearance in the cage on the front porch. After a bit of coaxing he finally emerged from his little red house in a dazed condition.

Closer examination revealed that half of his tail was gone, and a search of the porch disclosed the missing portion.

Two theories were advanced: (1) An attack by a hawk seen in the vicinity; and (2) A prowling cat with a liking for fresh squirrel.

POPULAR PLAY TO BE STAGED AT CAL WESTERN NEXT WEEK

The opening play of the current season of the California Western University and Community Players will take place next week, when the popular mystery melodrama, "Night of January 16th" by Ayn Rand will be presented in the Little Theatre of Salomon Hall, beginning Wednesday evening, November 30, and running December 1, 2 and 3.

Among the cast composed of Point Loma residents appearing for the first time with this group in the leading roles of the two attorneys who are trying the case of the alleged murderer are Ben R. Grim as the district attorney and W. C. Cochran as the defense attorney.

The role of Judge Heath, presiding over the trial, will be played by Oren Weller. Among the witnesses who testify are Margaret Ross as Mrs. John Hutchens, Gene Kenney as Homer Van Fleet, Robert Baxley as Policeman Elmer Sweeney, Patricia Heylman as Jane Chandler, Lois Corbett as Magda Svenson, George Andrus as Sigurd Jungquist, G. E. Dawkins Jr. as Larry Regan, and Augusta Schwidetzky as Roberta Rennsaler. The police matron will be played by Francis Witkowski.

The two leading women's roles are being played by Marjorie Bollum and Sylvia Kircher.

PENINSULA WOMEN'S CLUB SPONSORS PLAY

"Sabrina Fair," comedy hit presented by the San Diego Community Theatre, will be sponsored Wednesday, Dec. 7, by the Peninsula Women's Club, it was announced.

The play, starring Lynn Tay-

lor, Bob Hartle and Tex Osborn, was a Broadway hit in 1953. Tickets for Dec. 7 may be obtained from Mrs. Joseph Fisher, 4855 Cape May.

Proceeds from the play will aid the club's project, the San Diego Hearing Society.

Yellow Fishing Shows Steady Improvement

Yellowtail fishing at the Coronado Islands and the equally famous Rock Pile a few miles farther to the south continued to show steady improvement this week as catches kept step with the rising thermometer and fishing conditions, disturbed by a series of storms, once more returned to normal.

Light tackle addicts, in particular, found fishing made to order and not only took their share of yellowtail but also loaded the sacks with eight and 10-pound bonito and other surface game fish.

One party of anglers from Downey, headed by Phil Grey-shock, Ray Grimes, and George Lobaugh, put angling skill to the acid test when they tied into bonito with two-pound test lines and small spinning outfits. All succeeded in limiting out but admitted that their losses outnumbered their catches by three or four to one.

At the same time, Dick Whiteley, Alhambra, and W. E. Bone, La Jolla, put a premium on variety by taking 11 and 10 different varieties of fish, respectively.

Largest fish of the winter season, a 42 pound 6 ounce yellow, was caught by A. J. McIntyre, Maywood, but the battle for second place honors was nip and tuck. Fred Harvey, Chula Vista, took a 28 pounder and 27 pounders were sacked by Tex Brock, Point Loma, and F. E. Emmons.

Bottom fishing, as usual, was at its best and few anglers failed to limit out on red cod, the choicest of table fish.

Japan was the last address of Mr. and Mrs. Woodrow Everett before they moved into an apartment in the 300 block of Roscrans. The young Navy couple hope to make San Diego their permanent home some day. Mrs. Everett taught English and studied flower arranging while in Japan.

Silvergate Near Quota In United Success Drive

The one Peninsula district that is closest to making its goal in the residential campaign for the United Success Drive may never hit 100 per cent.

Mrs. Charles H. Cassidy, 4388 Piedmont Dr., chairman of the Silvergate district, reported her district at 98.9 per cent of quota. Only \$17 was needed to put it over the top.

"I don't think we'll get it," Mrs. Cassidy said. "Our campaigners have covered all the homes in the district. I don't know what else we can do."

Mrs. Harley C. Greaves, chairman for the entire Peninsula campaign, said she hoped that someone might still mail in \$17 to put the district over the top. "It would be the first district here to win an Oscar," she said. "Surely Point Loma can't sit back and see this campaign come to a close without any Peninsula district winning an Oscar for meeting its goal."

Other districts in the area have considerably farther to go. Mrs. Greaves gave these percent-

age standing for them: Frontier, 73.7; Ocean Beach, 65.2; Sunset View, 61.8; Cabrillo, 59.5; Loma Portal, 53.8; Dewey, 27.1.

"The chances are that late contributors in all these districts were not at home when volunteer campaigners visited their homes," Mrs. Greaves said. Late gifts, she added, can be picked up if contributors call the Community Chest and set a time when a campaigner may stop by. Or contributions may be mailed to the Chest at P. O. Box 2671, San Diego 12.

"These late gifts are extremely important to the youth of our community," Mrs. Greaves said. For these are the gifts that will go directly toward increasing Red Feather services from their present inadequate level to the point where our children will be taken off the waiting lists."

Holiday Matinee At Strand Friday

The annual children's Holiday Matinee will be held tomorrow at the Strand Theatre in Ocean Beach.

Sponsored by Cub Pack 228, this annual show is held through the courtesy of the Strand, with the cooperation of the Peninsula News.

The two-hour show will start at 1 p.m., although doors will be opened at 12:30. There will be a feature picture and four cartoons. Den Mothers of Cub Pack 228 are selling tickets at 25 cents each and these also will be on sale at the box office, according to Ray Perine, pack chairman.

Den mothers will be in attendance with theatre employees to provide adequate supervision.

Camp Fire Girls

Two forum meetings for Bluebird mothers and leaders in District 4, Camp Fire Girls, were announced this week. These will be held Nov. 29 at All Souls' Episcopal Church, and Dec. 6 at Point Loma Community Presbyterian Church.

Colt Wins Again

R. Peter Colt, 17, of Point Loma High School, won the San Diego-Imperial Counties District finals in the Voice of Democracy speaking contest Nov. 17.

A tape recording of his talk will be judged in the state finals at San Francisco next month.

Colt competed against nine other students in the contest, held by the Junior Chamber of Commerce. Earlier, he had defeated representatives of seven high schools in the San Diego competition.

CABRILLO SAVINGS & LOAN TO BE OWNED BY LOCAL MEN

At a meeting of incorporators and directors of the proposed Cabrillo Savings and Loan Association Nov. 18, it was announced that the association will be owned and controlled by a majority of persons who are residents of Point Loma and "will be dedicated to the service of the home owners of this community."

The announcement was made by H. J. La Dou, president of Ocean Beach Chamber of Commerce and owner of La Dou's Lumber Co., 4231 Voltaire St. "No one man or small group of men will hold a majority of the stock, which will be sold and distributed in small amounts to persons who wish to participate and who reside in Ocean Beach, Loma Portal, Roseville and La Playa," said La Dou.

He said the incorporators and directors, in addition to himself, include the following long-time residents and property owners of Point Loma:

George E. Campbell, until recently business manager of Campbell Machine Co.; Edwin A. Mueller, former assemblyman and state senator from S. D. County and a state inheritance

tax appraiser for 24 years; James Edgar Hervey, attorney and member of Point Loma Sportfishing Association; Vernon M. Brown, insurance broker and secretary of the American Tuna-boat Association; and Edward P. Silva, director of Campbell Machine Co. and vice president of the Tunaboat Association.

The new Cabrillo Savings and Loan Association will have as its executive vice president and manager, Keith Carlin of La Jolla, former secretary to the late Gov. C. C. Young and recently a deputy attorney of California in charge of veterans' affairs.

John R. Martin, of San Pedro, who has held various positions in savings and loan associations for the past 15 years, will be office manager.

The remaining two incorporators and directors, Montgomery Phister, vice president, Van Camp Seafood Co., and Dr. J. L. Bloch, president, board of governors, San Pedro YMCA, are both officers and directors of First Federal Savings & Loan Association, San Pedro, and experienced savings and loan executives of many years standing.

SOMETHING NEW under the sun...and stars

A Dome Car with two decks—and every seat "under glass"

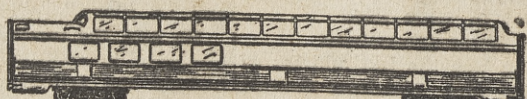

"Sky-wide and handsome" is what you'll say about Southern Pacific's unique new Dome Lounge Car, when you first step inside. It's built on two levels, or terraces, but is open to the heavens from stem to stern. (Incidentally, we've also put in extra capacity air conditioning, and lightly tinted glass, so that it's always pleasant inside, no matter what the weather outside.)

One third of the car is a high-ceiling cocktail lounge, while up a short flight of steps is a terrace deck with many more comfortable seats for enjoying refreshments and unparalleled views of the scenery.

A ride in one of these new Dome Cars is like a ride in a convertible with the top down—but without the wind.

You'll find a new Dome Lounge Car on the San Joaquin Daylight between Los Angeles and San Francisco via the Valley Route, the Shasta Daylight between San Francisco and Portland, and between San Francisco and Ogden on the Overland.

We invite you to try one soon—and we hope you'll find it an indication that, for both passenger and freight, we are trying to do a modern, progressive job of railroading.

Episcopal Women
To Hold Quiet Day
At Trinity Church

Episcopal women of the San Diego Convocation will hold their Advent Quiet Day next Tuesday, Nov. 29, at Trinity Episcopal Church, Ocean Beach.

The day will begin at 9 o'clock with the Holy Eucharist at which the Rev. John R. Nicholson is to be celebrant. This will be followed with a light breakfast served in Wallace Hall, after which the women will gather in the church.

The Rev. Robert M. Wolterstorff, assistant rector of St. James-by-the-Sea, La Jolla, will conduct the meditations at both morning and afternoon sessions, concluding at 2 p.m.

Those planning to attend are requested to bring a box lunch; coffee and tea will be served during the lunch recess at 12:30.

Salvation Army
Yuletide Program
Starts This Week

The Salvation Army's annual yuletide program, which last year brought Christmas cheer to more than 34,000 needy people in this county, swings into high gear this week. The traditional Christmas Kettles will be placed on major street corners in Ocean Beach and throughout the county, according to Major Robert Angel, commandant of the Citadel Corps, San Diego.

The familiar tinkle of the Christmas bells through the holiday season, will be a reminder from the Red Shield workers and members of the local service clubs, who will assist in manning the kettles, that contributions will provide food, toys for children and bring holiday happiness to families and homeless people who might otherwise be deprived of many of the joys of the yuletide.

If more convenient, contributions to the Christmas kettle fund may be made direct to the Salvation Army, 830 Eighth Ave., Angel announced.
